Testimony

The Outdoor Circle board of directors unanimously opposes the transfer of Thomas Square from the Parks Department to any other entity, specifically Department of Enterprise services for the cogent reasons listed in Life of the Land's statements to the City Council and City representatives. It is the stated position that Thomas Square be maintained and controlled as a public park by the Parks and Rec Department as is consistent with its historic and intended usage by the public. Thus, The Outdoor Circle fully supports this measure and thanks Councilmembers Kobayashi and Fukunaga for its introduction.
